DATE: October 15, 2007

FR: TIP Administrative Staff

RE: TIP Update

The federally required TIP is a comprehensive listing of all Bay Area surface transportation projects that are to receive federal funding or are subject to a federally required action, or are considered regionally significant for air quality conformity purposes, during the four-year period from fiscal year 2006-07 through fiscal year 2009-10. MTC is required to prepare and adopt an updated TIP every two years. The 2007 TIP was adopted by the Commission on July 26, 2006 and approved by the Federal Transit Administration (FTA) and the Federal Highway Administration (FHWA) on October 2, 2006. It is valid through October 1, 2008. The TIP may be amended to make necessary changes to the project listings prior to the next update.

TIP Amendment 07-14

Amendment 07-14 updates the project listing and funding for 62 projects with a net funding change of over \$255 million. The significant changes in the amendment are as follow:

- Amends in \$40.2 million to the Fifth Street Bridge retrofit project in Oakland;
- Adds \$336 million to three Caltrans Management lump sum project listings;
- Removes \$170 million in local funds programmed in error to the Valley Transportation Authority Rail Replacement Programming; and
- Makes other major revisions to projects throughout the region.

The public comment period for the amendment ended October 4, 2007 and has been forwarded to Caltrans for approval. For details of the projects in the amendment visit: <http://www.mtc.ca.gov/funding/tip/amendments.htm>.

Administrative Modification 07-15

Amendment 07-15 is an administrative modification that made minor funding revisions to projects including the 511 Traveler Information project listing, the Safe Routes to School project, City Carshare project and the Section 5311 lump sum project. The amendment also splits three projects from the TransLink® project listing to accommodate the programming of related Urban Partnership Grants. Final approval for the amendment was received from Caltrans on September 17, 2007.
