FR: Deputy Executive Director, Policy  
RE: Contract Amendment: Solano Transportation Authority/I-80 Smart Growth Study

DATE: January 2, 2008  
W.I.: 1611

Staff requests this Committee's authorization to enter into a contract amendment with the Solano Transportation Authority in an amount not to exceed \$114,750 to conduct additional work for the Smarter Growth Along the I-80/Capitol Corridor Study. MTC has been conducting this study since 2006 in cooperation with Caltrans, the Sacramento Area Council of Governments (SACOG), Association of Bay Area Governments (ABAG) and the Solano Transportation Authority.

Staff proposes to add \$10,900 of STP exchange funding to develop a new alternative land use scenario that would analyze the transportation and air quality impacts of a future goal of jobs-housing balance in Solano County.

Staff recommends that this Committee authorize the Executive Director or his designee to negotiate and enter into a contract amendment with the Solano Transportation Authority for \$10,900.
