Memorandum

TO: Elderly and Disabled Advisory Committee DATE: Jan. 31, 2008
FR: Ursula Vogler, EDAC Staff Liaison
RE: Staff Report

EDAC Meeting Location

Due to MTC's building retrofit work, the Auditorium will be closed from now until March 9. Therefore, the next two EDAC meetings will be held in the Claremont Conference Room instead of the Auditorium. When you arrive, please go to the third floor and check in at the front desk before going to the Claremont Conference Room on the second floor. We will try to make the tight quarters as comfortable as possible. Thanks for your understanding at this time.

Transportation 2035 Meetings

As a reminder, we will continue our advisor-focused meetings over the next few months:

1. EDAC-specific meetings related to T2035: We will be holding another strategy session directly after our next EDAC meeting on February 7. Specifically, we will be honing EDAC's T2035 vision statement and strategies. This meeting will be held from 12:30 – 2 p.m. in the Claremont Conference Room and lunch will be served.
2. Joint advisor workshops: Thanks to all who were able to attend the last workshop; we received great project ideas, which will be discussed further at the next workshop. Workshop dates and times are as follows.

Joint Advisor Workshop Dates/Times:

- **February 13, 2008 (Wednesday)**
Time: 2:45 p.m. to 5:00 p.m.
(following the Advisory Council mtg.)
Location: Alameda County Conference Center
Union City Room
125 – 12th Street Oakland, California
- **March 11, 2008 (Tuesday)**
Time: 1 p.m. to 3 p.m.
(preceding the MCAC mtg.)
Location: MTC's Auditorium
- **April 3, 2008 (Thursday)**
Time: 12:30 p.m. to 3:00 p.m.
(working lunch after EDAC mtg.)
Location: MTC's Auditorium

Lifeline Program

A few of you have requested an overview of the Lifeline Program and an update on the program's evaluation. I am pleased to report that Jennifer Yeamans, the Lifeline Program Evaluation Coordinator, will be coming to our March meeting to give a general primer on the program and an update on the program's evaluation.
